

Welcome

SIXTH GRADERS,

Welcome to Slauson, home of the Golden Bears! We are so happy that you will be joining us on the **RED TEAM!**

We want to be the first to welcome you as incoming 6th graders! We hope you had an excellent summer and are ready for a new school year filled with new friends, new adventures, and new discoveries. Coming to middle school can be a bit overwhelming and we want to let you know it will absolutely fine. We will help you find everything you need on the first day; the drinking fountains, bathrooms, lockers, lunch room and all of your classes.

Our team consists of four teacher: Mrs. Compton (English Language Arts – ELA), Ms. Mousigian (6th grade Math), Ms. Maglothin (Science), and Mr. Sobo (Social Studies)

Our goal this year is to help you become a responsible citizen and lifelong learner. This means we want you to enjoy coming to school each day and be successful as a middle school student. We expect our students to work hard and put forth their best effort at all times. You are no longer in elementary school, you are now a middle schooler! As such, we have high expectations for you and expect you to be responsible for your education.

We are eager to meet all of you on Tuesday, Sept 3rd!

Sincerely,

Your RED Team Teachers

Welcome
